Do you want a new career in Care?

If so, this highly engaging programme will give you the edge at interviews and a solid start to a very worthwhile career path in the Care Sector.

The City and Guilds Level 2 qualification "Preparing to work in adult social care" will provide you with knowledge to help you get a head start on other new applicants in a growing industry. You will learn about:

- **Communication and personal development in adult social care**
- **Diversity, equality and inclusion as well as safe guarding and protection in health and social care**
- **The duty of care**
- **The role of the care worker**
- **Person centred approaches**
- **Health and safety in care settings**
- **How to handle information in care**

Part of this programme involves working with you to ensure you are ready to take the right steps forward into a new job role. You will also gain valuable insight and helpful advice on:

- **Career planning and making applications**
- **Preparing for an interview and interview skills**
- **Effective skills, qualities and attitudes for work and learning**

This programme is available at venues throughout Essex and Suffolk.
