

Risk Assessment

Duration: 3 hours (1/2 day)
Non Accredited

Accreditation

This workshop is currently not accredited, however a certificate of attendance is provided for C.P.D purposes.

Introduction/Summary

Risk assessments are now part of every business although in varying degrees. This course is suitable for anyone in a working environment as it raises the learners awareness of the concept of risk assessments.

A risk assessment is nothing more than a careful examination of what, in your work, could cause harm to people, so that you can weigh up whether you have taken enough precautions or should do more to prevent harm.

This workshop can be delivered at our dedicated training centre in Basildon or tailored to meet your needs and delivered at your own premises. For in house training there is a **maximum limit of 12** attendees.

Content

The workshop aims to cover the following content:

- what is a risk assessment
- how to implement them within your organisation
- what are the legal requirements
- which records need to be kept
- Time will also be included to carry out an assessment during the session

Requirements/Pre Requisites

There are no pre-requisites for this course.
